

5 ft

Sample scan

Sample project - Sitework demo

Captured 2026-10-21 Scale 3/8" = 1'-0" on Letter Units ft-in

Wall faces only: RoomPlan does not measure wall thickness.
No north: the scan is aligned to gravity, not to the compass.
Door swing direction is not captured.
Reference measurements from an iPhone scan. Verify in the field before using them in construction documents.
